Dear Summer,

Since I'm presently out of the county, I'm writing to support Paul McGregor's application(s) PLN2017-00343

I am a long-time Half Moon Bay(Miramar) resident, and I fully support Paul's projects. He's been a friend and a neighbor for over 20 years, and I have watched him build numerous homes in Half Moon Bay. His homes are high-quality and add value to our neighborhoods and our community.

I have seen the plans for both projects and completely support what he is submitting. I encourage the Design review committee to approve these homes.

If you have any questions, don't hesitate to contact me at 415 370 2550 or by email: david@newstory.space.

Best regards,
David Hodge
