

Online Will Preparation

A simplified way to take care of important life matters

If creating a will has been on your radar, Online Will Preparation can help you get it done. Use this easy tool to help make important decisions for you and your family. Online Will Preparation is included in the Life Services Toolkit, an additional service with your Group Life Insurance from Standard Insurance Company (The Standard).

Why Create a Will?

A will is a legal document that describes how you want to divide up your assets after your death. If you don't have a will, state law will determine how your assets will be divided. A will can also be used to designate a guardian for minor children. Moreover, a will helps your family and friends understand your wishes.

How It Works

Online Will Preparation is an easy-to-follow process. Just answer a series of questions — on your own time — and watch as the document is created. You can save and close the document at any time, then work on it later. After you've created the will, follow instructions to complete the process.
