## INFORMATION TO TAXPAYERS

### Assessed Values

Assessed valuation now represents 100% of full value. According to the Government Code, the "...'assessed valuation' means ...100 percent of full value for the 1981-82 fiscal year and fiscal years thereafter...".

### Composite Tax Rate

The composite tax rate is the total of the countywide \$1.00 general tax rate, plus the rates levied within the tax rate area, to pay the interest and redemption charges on any indebtedness approved by the voters and is used in computing the amount of taxes. Tax rate areas 01-001 through 21-056 designate incorporated cities. Tax rate areas 53-001 through 87-090 designate unincorporated areas by elementary school districts. Tax rate areas 00-001 and 00-002 are solely designated for unitary and unitary railroad properties, which are assessed by the State Board of Equalization.

### Calculation of Dollars of Taxes

To determine the tax dollars levied on your property, multiply the composite tax rate for your tax rate area by the net assessed valuation on your property and divide by 100. The result is the tax dollars printed on the tax roll.

### Due Date of Taxes

The first installment of secured taxes must be paid no later than December 10. The second installment of secured taxes must be paid no later than April 10.

Unsecured bills issued before July 31 must be paid no later than August 31. Unsecured bills mailed after July 31 must be paid by the end of the month following the bill's issuance.
